Working Together To Make the Most of January 16

The annual Martin Luther King Day of Service is the only federal holiday observed as a national day of service – a "day on, not a day off." Our suggestion to make the most of this day builds on the Working Together part of Souderton's 125th anniversary theme. Our new book Celebrate Souderton showcases over 60 non-profit community organizations from Souderton and The Greater Indian Valley. We would like to encourage families and businesses to learn more about the many opportunities to be part of our "caring community." Consider spending several hours volunteering at the non-profit organization of your choice. Feeling pressed for time to throw together a community service project by January 16? Then, use the day to plan for a volunteer project that will encompass all of 2012 or beyond! Be sure to visit www.soudertonborough.org or www.generationsofiv.org for some tips and guidelines for creating an individual or group community service project.

Be sure to mark your calendars for more anniversary events planned for 2012!

Get locked up in March at our "Jail & Bail" event. Come to Souderton Community Park for a Memorial Day Picnic on Monday, May 28 featuring The Kiwanis Chicken BBQ, music, kids games, tethered hot air balloon rides, swimming and the dedication of Souderton's beautiful new pool. Start planning your summer garden for entry in the Souderton 125th Garden Contest. Judging will be the first week of July. 1st, 2nd and 3rd place prizes for Anniversary Gardens will be awarded in two categories: "Patriotic Theme" of red, white and blue blooms and a "Multi-Cultural Theme" using many colors and varieties. Finally, be sure to set aside June 23-24, 2012 for a weekend of community events. Saturday, June 23 will be The Generations of Souderton Parade. Floats are welcome to embrace the Anniversary Theme Celebrating Tradition, Working Together, Moving Forward. On Sunday, June 24, Concert Sundaes will conclude with a fabulous display of fireworks professionally set to music.

Ice Skating Rink to Warm up Winter Nights January 16 – February 14

Did you know that during the 1950s, the lot next to Perseverance Fire Company used to host an ice skating pond? The 125th Anniversary Committee has decided to celebrate tradition by embracing the loved local pastime of ice skating.

The Souderton Park Ice Skating Area will be open nightly for skating starting January 16 and continuing through the week of February 13th. The rink will be lit for community skating (all weather dependent).

New skates can be purchased at Wellington Sporting Goods on Main Street. New and used hockey skates are available at Frank's Hockey House in Warrington. They have used skates from \$10-\$75 and you can have your old skates sharpened for \$6. Check out their website for directions at frankshockeyhouse.com. You can also find used skates at Care and Share Thrift Shoppe.

Be sure to save Saturday Evening, February 4th, for a winter wonderland of fun as the Rink will be illuminated and we'll have a DJ and fire pit. Major event sponsors for the 125th Anniversary Celebration are also planning to enhance our event by providing hearty snacks, making smores, roasting marshmallows and serving hot chocolate—all free to the public.
