

GENERATIONS OF INDIAN VALLEY

Participant Application Updated 4-2017

Welcome and thank you for your interest! Generations of Indian Valley is a 501(c)3 non-profit community center serving active older adults with programs in wellness, nutrition, social services, recreation, travel, and more. Generations' Meals on Wheels program serves the Indian Valley and North Penn areas. We suggest, but do not require, an annual contribution from our participants to help defray the costs of our operating expenses. We assure participation and services to anyone applying and qualifying without regard to race, religion, national origin, marital status, sex, sexual orientation, gender identity, or disability where a person is otherwise qualified or could be with reasonable accommodation. **Participants must be 55 years of age or older and be able to comport themselves in an appropriate and non-disruptive manner. Please note that in order for participation, our active older adults must also be able to exit our building independently in an emergency, and handle all toileting and personal care needs independently. In the event that individuals are unable to meet these expectations, participants must be accompanied by an adult personal companion/responsible party while at Generations.**
