Generations In-person Program Survey

A number of non-profits in our area have noticed that despite pandemic restrictions having been lifted, attendance has been lower than anticipated. This has affected non-profits serving every age group.

Generations also has noticed that attendance numbers are lower than anticipated. If you are 55 years of age or older, and you have been a Participant at Generations in the past five years, please fill out the survey below by August 10, 2022. We're eager to to know how you're feeling about coming back to join us for in-person programs, indoor dining, and volunteer opportunities.
